

MAGDRL Fundraiser with artist Cheryl Schley

I'm excited to announce a new fundraiser and offer from a very talented artist, Cheryl Schley. She does beautiful carvings out of wood. Below is a piece she did for me of my late Dane Lucy sitting at the feet of an angel. The angel is almost 12 inches tall and is just beautiful!

Cheryl did another volunteer's Danes, Dori and Toby. They came out amazing!

She will charge \$60 for this piece and will donate 10% back to MAGDRL. If you are interested, please email Cheryl at cmschley1@wowway.com and mention MAGDRL. She can carve any cat or dog and if it's a Dane, can make the ears natural or cropped.

Here are a couple more pics of other animals and people she has done.

Thanks!
